

# Rekalight Sdn Bhd

Architect in Lights and Decor

# Unique Interior Design Provider

REKALIGHT SDN BHD

Light plays an important role in every sector. The application of lights in activities such as interior designing, photography and other uses are rising with the increase in population.

The lighting industry is in the midst of a profound revolution, and it's not just to do with the shift from halogen and fluorescent lights to LED. Many developing countries are focused on introducing the usage of LED lights in homes and commercial industries such as hotels and factories.

We, Rekalight Sdn Bhd, situated in Seremban 2, Negeri Sembilan, established since 1999, renown and synonym for lights. We import modern lights such as chandeliers, ceiling lamps, wall lamps, bedroom series, downlights and also decoration items, from China, Taiwan, Indonesia, Hong Kong and India

In compliance to save energy and save our planet earth, we have products of environmentally friendly, with the latest green technology which comprises LED and Solar Street Lighting, LED and energy-saving lights for commercial and domestic use.

Rekalight creates lighting solution that transforms the environment and helps to shape identities where necessary.
